"My name is Caleb. I battle with a tough condition called cerebral palsy. My constant companion is Jesus Christ. For the last 3 years, my parents and I have partnered with God to operate His ministry. He helps us freely give away thousands of Bibles and my published books to countless places. My strong mother runs with me to honor God. My parents and I wanted to encourage others to walk or run to honor God too. Life is sure to run you over sometimes. The soldier that endures is the one that never gives up. Put on your shoes this September and enjoy finishing the 'Just Jesus' run for me and for you and mostly for God!"

Pastor Caleb
